

COLOURING ACTIVITY

EAST WING STAINED GLASS PATTERN

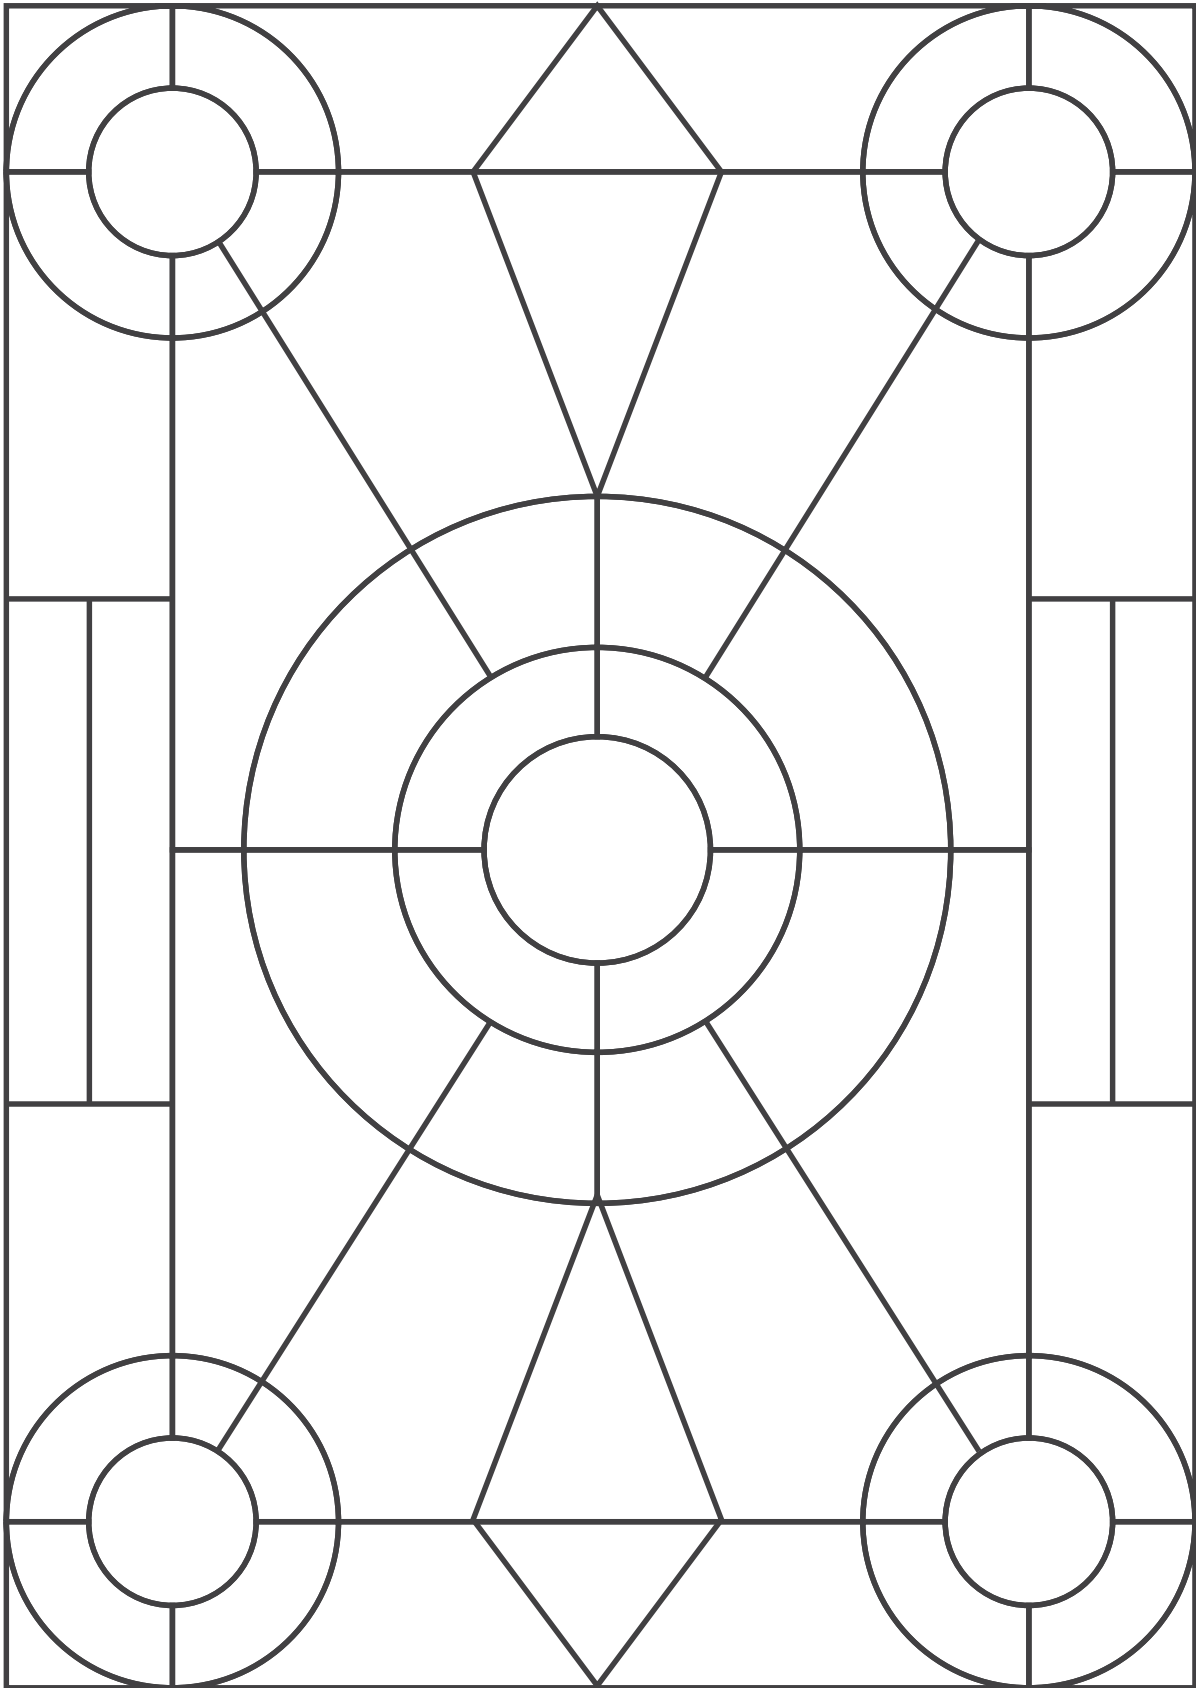

WHERE IS IT?

Another pattern you can find in Ontario's Legislative Building is the stained glass ceiling in the east wing. This "laylight," or stained glass ceiling, helps brighten up the building by bringing in natural light. The yellow and orange glass is supposed to look like the sun.

WHEN YOU'VE FINISHED

Take a picture of your coloured stained glass pattern and share it with us! Ask a parent or guardian first and post your finished masterpiece to Twitter or Instagram with the hashtag #qpkids!
