## An Act respecting the Kingston Health Sciences Centre

### Preamble

On March 31, 2017, Kingston General Hospital and Religious Hospitallers of Saint Joseph of the Hotel Dieu of Kingston voluntarily integrated by entering into agreements to permit and require Kingston Health Sciences Centre to fulfil the purposes and objects that formerly governed Kingston General Hospital and Hotel Dieu Hospital.

The Kingston Health Sciences Centre has applied for special legislation to provide that all gifts, trusts, bequests, devises and grants of property to Kingston General Hospital or Hotel Dieu Hospital, or to University Hospitals Kingston Foundation for the benefit of either of them, shall be used by Kingston Health Sciences Centre for the purposes for which they would have been used had the two hospitals not integrated.

Kingston General Hospital, Hotel Dieu Hospital and Kingston Health Sciences Centre are charitable corporations without share capital. Kingston Health Sciences Centre operates the public hospital sites formerly operated by Kingston General Hospital and Hotel Dieu Hospital. University Hospitals Kingston Foundation is a charitable corporation established to raise and administer funds for Kingston General Hospital, Hotel Dieu Hospital and Providence Care Centre.

It is appropriate to grant the application.

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:
