EXPLANATORY NOTE

SCHEDULE 1 BARRISTERS ACT

Section 1 of the *Barristers Act*, which provides that a current or former Minister of Justice and Attorney General of Canada or Solicitor General of Canada is entitled to be called to the bar and practise law in Ontario, is amended to add reference to a current or former Attorney General for Ontario and to remove the reference to the Solicitor General of Canada.

SCHEDULE 2 CHILDREN'S LAW REFORM ACT

The Schedule amends subsection 51 (1.1) of the *Children's Law Reform Act* to remove the default maximum of \$10,000 for the total of the amount of money payable and the value of personal property deliverable under subsection 51 (1) of the Act (payment of debt due to child if no guardian). Any applicable maximum total would be set out by regulations made under the Act. In addition, subsection 51 (2) of the Act is re-enacted to provide that money payable under a judgment or order of a court, or on an intestacy, is subject to subsection 51 (1) of the Act; currently money payable under a judgment or order of a court is expressly excluded from the application of that subsection.

SCHEDULE 3 COURTS OF JUSTICE ACT

The Schedule amends the *Courts of Justice Act* and makes consequential and related amendments to other Acts. The major elements are set out below.

The Schedule changes the title of a case management master to that of an associate judge.

The Schedule amends the Act with respect to the composition and functions of the Judicial Appointments Advisory Committee. The lawyer members of the Committee will now be appointed by the Attorney General from among lists provided by the Law Society of Ontario, the Ontario Bar Association and the Federation of Ontario Law Associations. ~~Certain records and other information collected, prepared, maintained or used by the Committee are to be kept in confidence.~~ The amendment to section 42 of the Act requires the Attorney General to keep information in relation to the appointment or consideration of an individual as a provincial judge confidential. The Committee is required to include statistics about the sex, gender, race and other characteristics of all candidates who volunteer that information in its annual report.

The functions of the Committee are amended. Currently, the Committee advertises judicial vacancies and recommends at least two candidates for the vacancy. The amendments will require the Committee to advertise a vacancy and provide the Attorney General with a ranked list of at least six recommended candidates, with brief supporting reasons. The Attorney General can only recommend one of these recommended candidates to the Lieutenant Governor in Council to fill the judicial vacancy.

If the Committee provided a recommendation for a similar judicial vacancy within the previous 12 months, the Committee shall not advertise the new judicial vacancy and shall instead prepare its recommendation from among the candidates for the previous vacancy.

The Attorney General retains the power to reject the Committee's recommendations and require a fresh list to be prepared. The new list must consist of six or more candidates whom the Committee recommends from among the remaining candidates for the judicial vacancy.

The Attorney General may recommend criteria to be included in the criteria the Committee establishes for the advertising, review and evaluation process.

The Schedule re-enacts section 112 of the Act to enable the Children's Lawyer to make investigations and prepare reports for the court on certain matters specified by the court or to meet with the child and prepare reports for the court on their views and preferences in proceedings under the *Divorce Act* (Canada) or the *Children's Law Reform Act*.

The Schedule re-enacts section 126 of the Act, which deals with the use of French in court proceedings. The right to file documents in French is extended to all courts throughout Ontario, instead of being limited to some courts and some areas of Ontario. The right to request a translation of a court decision in a bilingual proceeding will no longer depend on what language the party speaks.

Consequential and related amendments are made to several other Acts. Subsection 2 (3) of the *Public Service of Ontario Act, 2006* is amended to make express reference to appointed officials who are not public servants.

**SCHEDULE 4
CROWN ADMINISTRATION OF ESTATES ACT**

The Schedule amends section 2.1 of the *Crown Administration of Estates Act* to require municipal police disclosure of information related to an estate to the Public Guardian and Trustee on request. Section 2.2 of the Act, which provides for section 2.1 of the Act to override other Acts and regulations in the event of a conflict, is re-enacted in order to add express reference to the *Municipal Freedom of Information and Protection of Privacy Act* as an Act that may be overridden.

**SCHEDULE 5
EXPROPRIATIONS ACT**

The Schedule amends the *Expropriations Act* to add a new section 8.1, which permits the Lieutenant Governor in Council to make regulations to establish, for any or all proposed expropriations, a process for owners to provide comments respecting a proposed expropriation to the approving authority, and for the approving authority to consider those comments and make a determination respecting the proposed expropriation. This process would apply instead of the hearing process provided for under section 7 of the Act. Complementary amendments are made to other provisions of the Act, as well as to other Acts, to reflect the alternative process.

The Schedule also amends section 33 of the Act to provide for annual rates of interest specified in that section to be determined by regulations made under the Act.

**SCHEDULE 6
ONTARIO LAND TRIBUNAL ACT, 2021**

The Schedule enacts the *Ontario Land Tribunal Act, 2021*. The new Act amalgamates the board of negotiation continued under the *Expropriations Act*, the Conservation Review Board, the Environmental Review Tribunal, the Local Planning Appeal Tribunal and the Mining and Lands Tribunal, and continues them as the Ontario Land Tribunal. The Act provides for the composition of the Ontario Land Tribunal, sets out its jurisdiction and powers and specifies the practices and procedures that apply with respect to proceedings before it. The *Consolidated Hearings Act* is repealed, and consolidated hearings provided for under the new Act (section 21). Regulation-making authority is given to the Attorney General to provide for transitional matters.

The Act makes numerous complementary repeals, revocations and amendments:

1. The Acts and provisions that establish the bodies that are amalgamated and continued as the Ontario Land Tribunal are repealed. Regulations made under those Acts and provisions are revoked.
2. The *City of Toronto Act, 2006* and the *Municipal Act, 2001* are amended to incorporate the substance of the provisions of the *Local Planning Appeal Tribunal Act, 2017* respecting the jurisdiction of the Ontario Land Tribunal over municipal matters and public utilities.
3. The *Ontario Northland Transportation Commission Act* is amended to incorporate the substance of the provisions of the *Local Planning Appeal Tribunal Act, 2017* respecting the jurisdiction of the Ontario Land Tribunal over railways.
4. The *Expropriations Act* is amended to eliminate the appointment of the chief inquiry officer and other inquiry officers, and to provide for hearings under section 7 of that Act to proceed before the Ontario Land Tribunal.
5. Various Acts are amended to replace references to an amalgamated body with references to the Ontario Land Tribunal.
6. Various Acts are amended to replace outdated references to the Ontario Municipal Board with references to the Ontario Land Tribunal.

**SCHEDULE 7
PUBLIC ACCOUNTING ACT, 2004**

The Schedule amends the *Public Accounting Act, 2004* to dissolve The Public Accountants Council for the Province of Ontario, which currently governs public accounting under the Act, and to transfer the governance of public accounting in Ontario to the Chartered Professional Accountants of Ontario (CPA Ontario). In governing public accounting, CPA Ontario must adhere to public accounting standards that it establishes for itself, subject to the approval of the Attorney General, under section 19 of the Act. The amendments expressly provide that licensed public accountants must be members of CPA Ontario, and provide authority for CPA Ontario to regulate public accounting and govern its members as public accountants largely through by-laws and other instruments made by its council under the *Chartered Professional Accountants of Ontario Act, 2017*. That Act is amended to reflect CPA Ontario's governance role under the *Public Accounting Act, 2004*.

**SCHEDULE 8
SUBSTITUTE DECISIONS ACT, 1992**

The Schedule amends the *Substitute Decisions Act, 1992* to provide for the remote witnessing of powers of attorney through the means of audio-visual communication technology for powers of attorney entered into on or after April 7, 2020.

The Schedule also amends sections 83 and 90 of the Act, respecting the Public Guardian and Trustee’s entitlement to have access to records relating to a person who is alleged to be incapable in the context of an investigation required under the Act, in order to provide for access to records in the custody or control of an entity or class of entities prescribed by the regulations made under the Act.

**SCHEDULE 9
SUCCESSION LAW REFORM ACT**

The Schedule makes various amendments to the *Succession Law Reform Act*, including the following:

1. The Act is amended to provide for the remote witnessing of wills through the means of audio-visual communication technology for wills made on and after April 7, 2020.
2. Section 16 of the Act, which provides that a will is revoked by the marriage of the testator except in specified circumstances, is repealed.
3. Section 17 of the Act provides that if the marriage of the testator and the testator’s spouse is terminated or declared a nullity, the testator’s will shall be construed as if the former spouse had predeceased the testator. The section is amended to add other specified instances of spousal separation between married spouses that would have the same result, but as of the testator’s death.
4. A new section 21.1 is added to give the Superior Court of Justice authority to, on application, make an order validating a document or writing that was not properly executed or made under the Act, if the Court is satisfied that the document or writing sets out the testamentary intentions of a deceased or an intention of a deceased to revoke, alter or revive a will of the deceased.
5. A new section 43.1 is added to provide that the spousal entitlements under Part II of the Act if a person dies intestate in respect of any or all property do not apply if the person and the spouse are separated, as determined under the section, at the time of the person’s death. A complementary amendment is made to section 6 of the *Family Law Act*.

**SCHEDULE 10
AMENDMENTS RESPECTING APPEALS TO A MINISTER**

The Schedule amends the *Environmental Protection Act*, the *Mining Act*, the *Nutrient Management Act, 2002*, the *Ontario Water Resources Act*, the *Pesticides Act*, the *Safe Drinking Water Act, 2002* and the *Toxics Reduction Act, 2009* to remove provisions that permit specified matters to be appealed to a minister of the Government of Ontario, and to provide for regulation-making authority in each case to address any transitional matters that may arise as a result. A consequential amendment is made to the *Resource Recovery and Circular Economy Act, 2016*.

**SCHEDULE 11
PARENTAGE TERMINOLOGY IN FRENCH VERSIONS OF ACTS**

The Schedule makes various changes to French-language terminology in a number of statutes. Notably, references to “père” and “mère” are replaced with “parent”.

When electors' assent may be dispensed with

Where no objections

(6) Where notice has been given under subsection (5), the Tribunal may, when no notice of objection has been filed within the time specified in the notice, dispense with the assent of the electors without holding a hearing.

Where objections filed

(7) If one or more objections have been filed within the time specified in the notice, the Tribunal shall hold a hearing unless, under all the circumstances affecting the matter, the Tribunal considers the objection or, if more than one, all the objections to be insufficient to require a hearing.

Conditions in dispensing with vote

(9) The Tribunal, in making any order under subsection (3) dispensing with the necessity for obtaining the assent of the electors or qualified electors, may impose such terms, conditions and restrictions not only in respect of the matter in which such order is made, but as to any further or subsequent exercise of any of the powers of the municipality or incurring of any other debt or issue of any other debentures or passing of any other by-law by such municipality as may appear necessary to the Tribunal.
