#### EXPLANATORY NOTE

The Bill amends the *Excellent Care for All Act, 2010* to make the patient ombudsman an officer of the Assembly.

Currently, the patient ombudsman is appointed by the Lieutenant Governor in Council, who fixes their salary or other remuneration and has the power to revoke their appointment. The Bill amends the Act so that the patient ombudsman is appointed by the Assembly and so that the appointment is subject to revocation by the Assembly. The amendments provide that the patient ombudsman's salary is fixed by the Board of Internal Economy and requires the patient ombudsman to provide reports to the Speaker, rather than to the Minister.

The Bill provides that the current patient ombudsman continues in office until their appointment is revoked or until the term of their appointment expires.
