Bill 84 has been enacted as Chapter 2 of the Statutes of Ontario, 2022.*

SCHEDULE 1 AT YOUR SERVICE ACT, 2022

The Schedule enacts the *At Your Service Act, 2022*. The Act provides that Ministries and prescribed entities shall comply with any service standards that apply to them under the Act. If a service standard is a guaranteed service standard, a refund or compensation may be payable for a failure to comply with the service standard.

SCHEDULE 2 BUILDING ONTARIO BUSINESSES INITIATIVE ACT, 2022

The Schedule enacts the *Building Ontario Businesses Initiative Act, 2022*. The Act requires public sector entities, as defined in the Act, to give Ontario businesses preference when conducting procurement processes for goods and services under a specified threshold amount. The Lieutenant Governor in Council is given regulation-making authority to determine the details of the requirement, including which businesses are considered to be Ontario businesses, how those businesses are to be given preference, and which goods and services are affected and under what threshold amount.

SCHEDULE 3 CHILD, YOUTH AND FAMILY SERVICES ACT, 2017

The Schedule amends the *Child, Youth and Family Services Act, 2017* by adding sections 73.1 to 73.3 and by adding two definitions.

New section 73.1 provides the Minister with the authority to designate entities as prevention-focused Indigenous service providers and sets out their functions. Subsections 73.1 (5) and (6) require the Minister to establish a list of prevention-focused Indigenous service providers and make the list available to the public.

New section 73.2 establishes requirements for societies and prescribed service providers to seek certain information about available services. Societies and prescribed service providers are also required to provide this information to certain First Nations, Inuit and Métis children and prescribed persons and to take prescribed steps to enable those children or prescribed persons to receive any of the services set out in the information they received.

New section 73.3 requires societies and prescribed service providers to establish circles of supportive persons for First Nations, Inuit and Métis children and prescribed persons who so wish. A circle of supportive persons is defined as a group of individuals and entities that aims to support and improve the well-being of a First Nations, Inuk or Métis child.

The Schedule also makes amendments to Part IX (Residential Licensing) of the Act. Section 243 of the Act is amended to deem the provision of customary care in specified circumstances to not constitute the provision of residential care for the purposes of Part IX. A new section 247.1 is added, which provides for an exemption, in respect of children being cared for under customary care in those circumstances, from requirements that apply to licensees that hold a licence issued under Part IX.

Sections 342 and 347 of the Act are also amended to provide for related regulation-making powers.
