EXPLANATORY NOTE

The Bill amends the *Ministry of Training, Colleges and Universities Act* with respect to colleges of applied arts and technology and publicly-assisted universities. The amendments include the following:

1. Every college and university is required to have a student mental health policy that describes the programs, policies, services and supports available at the college or university in respect of student mental health.
2. Every college and university is required to have policies and rules to address and combat racism and hate, including but not limited to anti-Indigenous racism, anti-Black racism, antisemitism and Islamophobia.
3. The Minister is authorized to issue directives in relation to the information to be provided about the costs associated with attendance at the college or university.

An Act to amend the Ministry of Training, Colleges and Universities Act

Preamble

Ontario has one of the best post-secondary education systems in the world.

The Government of Ontario is committed to supporting a post-secondary education system that is healthy and sustainable, so that students have the best post-secondary experience possible and are ready for the jobs and careers of today and tomorrow.

The Government of Ontario recognizes that post-secondary institutions play an integral role in delivering the highest quality programs to students and offering students the supports they need.

Post-secondary institutions should be an inclusive place for all. Students should feel safe when they are studying and know what supports are available if they need help.

Students and their families should know the costs associated with attending a college or university, such as ancillary fees or educational material costs.

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1 Subsection 4.1 (4) of the *Ministry of Training, Colleges and Universities Act* is repealed.

2 The Act is amended by adding the following sections:

Student mental health policy

Application

19 (1) This section applies to every college of applied arts and technology and to every publicly-assisted university.

Contents

(2) Every college or university described in subsection (1) shall have a student mental health policy that describes the programs, policies, services and supports available at the college or university in respect of student mental health.

Additional contents

(3) In addition to satisfying subsection (2), a college or university described in subsection (1) shall address any topics in the policy and include any elements in the policy as may be specified by the Minister in a directive issued to the college or university under subsection (4) and shall do so no later than the date specified by the Minister in the directive.

Minister's directive

(4) The Minister may, from time to time, in a directive issued to one or more colleges or universities described in subsection (1),

- (a) specify topics to be addressed or elements to be included in a college or university's policy and the date by which they must be addressed or included; and
- (b) specify steps that the Minister intends to take if, in the opinion of the Minister, a college or university fails to comply with subsection (2) or the directive.
