Government Bill

2nd Reading
3rd Reading
Royal Assent

EXPLANATORY NOTE

SCHEDULE 1 ALGONQUIN FORESTRY AUTHORITY ACT

The Schedule amends section 5 of the *Algonquin Forestry Authority Act* so that, instead of the Lieutenant Governor in Council appointing a person to be the general manager of the Authority, the Authority will now hire the general manager. A consequential amendment is made to subsection 6 (1).

SCHEDULE 2 ARCHITECTS ACT

The Schedule amends the *Architects Act*.

Section 11 is amended to add references to agricultural occupancy and to add a definition of “agricultural occupancy”.

Currently, section 53 of the Act provides that the Council of the Association of Architects of Ontario shall make a report annually to the Minister and that the Minister shall submit the report to the Lieutenant Governor in Council and lay the report before the Assembly. Section 53 is repealed and replaced to provide that, no later than 120 days after the end of each financial year of the Association, the Council shall provide the Minister with a copy of an annual report for that year, and to require the Association to make its annual report publicly accessible by publishing it on its website and by making it available as a document in paper format or in any other format, on request and at cost, to members of the public.

SCHEDULE 3 COMBATIVE SPORTS ACT, 2019

The Schedule amends the French version of the *Combative Sports Act, 2019* to change the French equivalent to the defined term “matchmaker” from “promoteur de match” to “organisateur”. The Schedule also adds section 50.1 to both the English and French versions of the Act. Section 50.1 provides that regulations made under section 49 or 50 of the Act may include rolling incorporation of a document.

SCHEDULE 4 COURTS OF JUSTICE ACT

The Schedule amends the *Courts of Justice Act* to make changes to the membership of the Civil Rules Committee and of the Family Rules Committee, largely to permit the Chief Justice of Ontario and the Chief Justice of the Superior Court of Justice to designate judges to be a member in their place or in the place of an Associate Chief Justice.

The Act is also amended by giving family and other civil court rule-making authority to the Attorney General. Currently, the Family Rules Committee makes court rules respecting family matters (section 68), and the Civil Rules Committee makes court rules respecting all other civil matters (section 66). The making of these rules is subject to the approval of the Attorney General. Under the new section 68.1, the Attorney General is given the same rule-making authority that the Rules Committees have, which the Attorney General can exercise subject to prior consultation with the relevant chief justices and the presiding member of the relevant Rules Committee. The Attorney General can make new rules or amend or revoke rules made by a Rules Committee. The Rules Committees retain their rule-making powers, but rules made by the Attorney General prevail over those made by a Rules Committee, in the event of a conflict.

Finally, the Schedule repeals sections 79 (Ontario Courts Management Advisory Committee) and 79.2 (Regional Courts Management Advisory Committee).

SCHEDULE 5 EDUCATION ACT

The *Education Act* is amended by adding the term “system principal”. Duties of system principals include leading or supporting a function, program or initiative of a board in respect of multiple schools of the board, or in respect of the schools or the pupils of the board generally, and exercising managerial functions for one or more employees of a board. Various related and consequential amendments are made to the Act and other Acts.

**SCHEDULE 8
EXPROPRIATIONS ACT**

The Schedule amends the *Expropriations Act* with respect to the publication of notices and other documents. Amendments include requiring that publication of an expropriating authority's notice of application for approval to expropriate be done in accordance with the regulations. The Lieutenant Governor in Council is given authority to make regulations governing the publication of notices and other documents for the purposes of the Act.

**SCHEDULE 9
FAMILY LAW ACT**

The Schedule amends the *Family Law Act*.

The definition of "child" is amended to clarify the language of the definition.

A new section 59.9 allows a party who is entitled to the enforcement of a family arbitration award containing a provision for support or maintenance to file that award with the clerk of the Superior Court of Justice or the Family Court. The section provides that, upon filing of the award, the provision for support or maintenance may be enforced as if it were an order of the court where it is filed. Finally, the section provides that the filing of the award does not affect the right of a party to apply to the court under subsection 46 (1) of the *Arbitration Act, 1991* to set aside the award.

Consequential amendments are made to the Family Responsibility and Support Arrears Enforcement Act, 1996 and the Interjurisdictional Support Orders Act, 2002.

Subsection 4 (5) of the Act is amended by removing certain powers of the Director under the Act.

Section 5 of the Act is amended such that certain elements of the dispute resolution process do not apply to disputes regarding the refusal to renew or termination of dealership agreements. New subsections 5 (5.1) and (5.2) provide for the continuation of a dealership agreement in certain circumstances. Subsections 5 (7) to (9) of the Act, which relate to appeal to the Divisional Court, are repealed. Related regulation-making authority is added to section 35 of the Act.

Sections 6, 7, 8 and 35 of the Act are amended to remove rules respecting renewals of registration.

**SCHEDULE 11
JURIES ACT**

The Schedule re-enacts section 4.1 of the *Juries Act*, which deals with the preparation of the jury source list that is used by the Jury Sheriff to create a jury roll. The jury source list is prepared by the Minister of Health based on information available to the Minister in respect of insured persons under the *Health Insurance Act*. The re-enacted section requires that, in addition to disclosing the names and addresses of persons for the purposes of the jury source list, the Minister must also disclose their year of birth. Related amendments are made to section 6 of the Act.

General with a copy of an annual report for the previous calendar year, which shall include the report of the auditor under subsection 54 (5) and such other information as the Attorney General requires.

A new subsection 54 (7) is added to require the Foundation to make its annual report publicly accessible by publishing it on its website and by making it available as a document in paper format or in any other format, on request and at cost, to members of the public.

**SCHEDULE 15
LEGISLATIVE ASSEMBLY ACT**

The Schedule repeals section 108.1 of the *Legislative Assembly Act*.

The new subsection 10 (5) provides that a part of a meeting may be closed to the public if the subject matter set out in that subsection is the subject matter being considered at that part of the meeting. Subsection 10 (8) sets out when a meeting may be closed to the public during a vote.
