### **SCHEDULE 2 CHILDREN'S LAW REFORM ACT**

Part I of the *Children's Law Reform Act*, which sets out rules of parentage in law, is amended to add a new section 17.6.1 providing for the Ontario Court of Justice to order blood, DNA or other tests in a proceeding over which the Court has jurisdiction. The section provides that the Court's jurisdiction to make a determination of parentage in one of its proceedings is not limited by anything in the Part, nor is such a determination a declaration of parentage under the Part.

### **SCHEDULE 3 CHRISTOPHER'S LAW (SEX OFFENDER REGISTRY), 2000**

The Schedule amends *Christopher's Law (Sex Offender Registry), 2000* with respect to the disclosure of information obtained from the sex offender registry. The amendments include a provision permitting disclosure to a prescribed entity for crime prevention or law enforcement purposes. Before such disclosure occurs, the Ministry is required to enter into an agreement with the prescribed entity respecting the disclosure of the information.

### **SCHEDULE 4 CITY OF TORONTO ACT, 2006**

The Schedule amends the *City of Toronto Act, 2006*.

Currently, section 232 requires the city treasurer to publish a copy of the City's audited financial statements and related documentation in a newspaper having general circulation in the City within 60 days after receiving those statements. The treasurer may also provide copies of that information in such other manner as the treasurer considers appropriate. The treasurer is also required to provide a copy of the information to any taxpayer or resident of the City upon request, at no cost, if the treasurer has instead published a notice in the newspaper that the information will be made available upon request.

Section 232 is re-enacted so that the city treasurer is no longer required to post the audited financial statements and related documentation, or a notice of such information, in a newspaper having general circulation in the City, but is instead required to post that information on a website of the City within 60 days after receiving those statements.

### **SCHEDULE 5 CONSUMER PROTECTION ACT, 2002**

Currently, section 47.1 of the *Consumer Protection Act, 2002* provides rules regarding the expiry of rewards points provided under a consumer agreement. The section is re-enacted to provide general rules governing consumer agreements under which rewards points are provided. The Lieutenant Governor in Council is also authorized to make regulations governing such consumer agreements, and the regulations may provide that the regulations and re-enacted section 47.1 apply to consumer agreements that were entered into before the *Protect Ontario by Cutting Red Tape Act, 2025* received Royal Assent.

### **SCHEDULE 6 CONSUMER REPORTING ACT**

Subsection 12 (3) of the *Consumer Reporting Act*, as that subsection is re-enacted by the *Better for Consumers, Better for Businesses Act, 2023*, sets out information that a consumer reporting agency is required to disclose to a consumer who requests their consumer report or consumer report and consumer score. This includes information about persons who have accessed the consumer reporting agency's file pertaining to the consumer or who have received a consumer report from the agency pertaining to the consumer. That subsection is amended to eliminate the person's email address from the information required to be disclosed.

### **SCHEDULE 7 COURTS OF JUSTICE ACT**

**SCHEDULE 8  
CROWN FOREST SUSTAINABILITY ACT, 1994**

The Schedule amends Part III.1 of the *Crown Forest Sustainability Act, 1994*, which deals with the removal of forest resources that are in a Crown forest for the purpose of allowing an activity other than a forest operation to be carried out on the land that requires the forest resources to be removed. Such removal is not subject to a requirement to provide for the sustainability of the Crown forest, but must be done in accordance with a permit issued under the Part. The Part is amended to provide that circumstances may be set out in regulations made under the Act that would authorize such removal of forest resources without a permit, in accordance with the regulations (“authorizing regulations”). Section 69 is amended to give related regulation-making authority to the Lieutenant Governor in Council.

Complementary amendments are also made in relation to various provisions in order to incorporate authorizing regulations and the actions they authorize into the Act, including,
