3rd Reading

Royal Assent

**An Act to amend the Health Protection and Promotion Act
to implement the recommendations of the Rare Diseases Working Group Report**

Preamble

Ontario currently lacks a rare disease strategy. To address this, a committee was struck – the Rare Diseases Working Group – which made recommendations in a 2017 report. These recommendations have never been implemented.

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1 The *Health Protection and Promotion Act* is amended by adding the following section:**Rare Diseases Working Group Report**

20.1 (1) The Government of Ontario shall, as soon as is practicable, implement the recommendations set out in the Rare Diseases Working Group Report, dated March 10, 2017.

Same

(2) Six months after the day this section comes into force, and every six months thereafter until all the recommendations set out in the report have been implemented, the Government shall post an update on a website of the Government of Ontario setting out which recommendations have been implemented and what steps are being taken to implement any remaining recommendations.

Commencement**2 This Act comes into force on the day it receives Royal Assent.****Short title****3 The short title of this Act is the *Rare Disease Strategy Act, 2025*.**

EXPLANATORY NOTE

The Bill amends the *Health Protection and Promotion Act* to require that the Government of Ontario shall, as soon as is practicable, implement the recommendations set out in the Rare Diseases Working Group Report, dated March 10, 2017.

Six months after the day this amendment comes into force, and every six months thereafter until all the recommendations set out in the report have been implemented, the Government shall post an update on a website of the Government of Ontario setting out which recommendations have been implemented and what steps are being taken to implement any remaining recommendations.
