SPECIAL DEBATES - OPPOSITION DAY**DÉBATS SPÉCIAUX - JOUR DE
L'OPPOSITION**

2. Mr. Runciman – That the Legislative Assembly calls upon the government,
- To recognize that the McGuinty Liberals have cut the Ministry of Tourism budget in both of their last two budgets by a total of \$46 million and cut this year's budget by \$25 million alone; and
- To recognize that a strong Canadian dollar, increased border security, high gas prices and numerous anti-American statements made by prominent Liberals are just some of the many things that are currently hindering the tourism and hospitality industries in Ontario and despite all of these challenges, the McGuinty government has continually undertaken initiatives that further damage these sectors, such as the City of Toronto Act and greater regulation of Ontario's farmer markets; and

To recognize that besides criticizing the federal government, the McGuinty government has not taken any sort of meaningful action or demonstrated any kind of leadership in helping to solve current border issues with the United States or challenges facing the hospitality sector; and

To recognize that in 2005, U.S. border crossings to Ontario reached their lowest level since 1972 and that this decline in U.S. visitation is significant because, in 2004, Americans accounted for 18% of Ontario's total visitors and 26% of the province's visitors' spending; and

To recognize that the total number of person visits to Ontario has steadily declined under the McGuinty government and that, under their watch, these numbers have declined to levels not seen since the early and mid 1990's; and

To recognize that in January 2006, U.S. entries to Ontario fell to their lowest level for the month in 12 years and that in January 2006, Ontario received 40% fewer entries from the U.S. compared to January 2001, the historical peak for the month and 27% fewer compared to January 2003, yet the McGuinty government has continued to cut the Ministry of Tourism budget and proceed with legislative and policy initiatives that further jeopardize the economic well being of the hospitality sector. Addressed to the Premier of Ontario. To be debated on Tuesday, May 16, 2006.

**SPECIAL DEBATES – WANT OF
CONFIDENCE**

DÉBATS SPÉCIAUX – CENSURE

Mr. Runciman – That, in the opinion of this House, since the Premier has failed to ensure the highest level of integrity for his ministers, and that, while under a cloud of scandal, his government as a whole is sorely lacking vision and any real plan to deal with the urgent issues facing Ontarians and their pocket books, the government no longer has the confidence of this House. Filed on October 13, 2005.

6. Mr. Arnott – That, in the opinion of this House, the Standing Committee on Finance and Economic Affairs should immediately begin an investigation into Ontario's industrial and economic competitiveness, to develop an action plan to maintain and expand our domestic and international markets in the coming years. Filed on October 26, 2005.
7. Mr. Wilson – That, in the opinion of this House, the Government of Ontario should start a campaign to educate the public about Bill 191, Highway Traffic Act Amendment Act (Emergency Vehicle Safety), 2002, that requires motorists to slow down and, where possible and safe to do so, move to a lane not adjacent to the one in which an emergency vehicle is situated to protect police officers, firefighters and other emergency personnel whose vehicles are stopped on the shoulder of the province's roadways with the red lights flashing. Filed on November 15, 2005.
10. Ms. Horwath – That, in the opinion of this House, the Ontario Liberal government refuse to allow garbage from the Greater Toronto Area to be brought to Glanbrook Landfill site or anywhere in the City of Hamilton without authorization of a majority of members of Hamilton City Council and/or a referendum of Hamilton residents. Filed on December 14, 2005.
12. Mr. Arnott – That, in the opinion of this House, the Government of Ontario should establish a fund to support the families of first responders, such as fire fighters, police officers, paramedics, and medical personnel, who lose their lives in the line of duty, providing a benefit of at least \$500,000 to the families of these fallen heroes. Filed on April 25, 2006.
13. Ms. MacLeod – That, in the opinion of this House, the Government of Ontario should immediately eliminate the illegitimate health tax, beginning with serving military personnel and senior citizens. Filed on May 3, 2006.

14. Mr. Wilkinson – That, in the opinion of this House, the Government of Ontario should continue to support the increasing solvency and vitality of the farm mutual insurance industry as a key component of the economic and social fabric of rural Ontario. Filed on May 3, 2006.
