ORDERS OF THE DAY**ORDRE DU JOUR**

With unanimous consent, on motion by Mr. Bradley,

Ordered, That the following be agreed to with respect to this afternoon's debate:-

That each party be allowed to speak to the motion on the proposed U.S. passport requirement for up to five minutes, following which the Speaker shall put every question necessary to dispose of the motion, without further debate or amendment; and further to stipulate that today's debate on Bill 107 be considered one full sessional day.

With unanimous consent, on motion by Mr. Bradley,

Resolved, That the Legislative Assembly of Ontario recognizes that more secure documentation is desirable on the Canada-United States border.

That the Legislative Assembly of Ontario recognizes that the proposed requirement that all Canadian and U.S. citizens show a passport or other single-purpose travel document to be allowed to enter or re-enter the United States would cause significant and unnecessary damage to tourism and trade in both countries.

That the Legislative Assembly of Ontario supports the position taken by the Government of Ontario on October 27, 2005 in its submission to the U.S. Department of Homeland Security commenting on the passport issue.

That the Legislative Assembly of Ontario specifically endorses the approach advocated in that October 27, 2005 document, including:-

- The establishment of a bi-national working group to identify and develop proposals for alternative forms of secure documentation, such as a new, more secure driver licence or other form of documentation.
- Travellers aged 16 and under who are accompanied by a properly documented adult should be permitted to enter and re-enter the United States using proof of citizenship.
- Any proposals for new ID requirements for entering or re-entering the United States be piloted on a trial basis before being fully implemented.
- The implementation of any changes in border crossing documentation be delayed to provide sufficient phase-in time to minimize disruptions.

That the Legislative Assembly of Ontario supports tourism and commerce in Ontario, and supports the province of Ontario working with other North American jurisdictions at the Gimli meeting of Provincial Premiers and State Governors to find border crossing alternatives that would not needlessly harm economic prosperity in Canada or the United States.

Debate was resumed on the motion for Second Reading of Bill 107, An Act to amend the Human Rights Code.

After some time, pursuant to Standing Order 9, the motion for the adjournment of the debate was deemed to have been made and carried.

Le débat reprend sur la motion portant deuxième lecture du projet de loi 107, Loi modifiant le Code des droits de la personne.

Après quelque temps, conformément à l'article 9 du Règlement, la motion d'ajournement du débat est réputée avoir été proposée et adoptée.

The House then adjourned at 6:00 p.m.

À 18 h, la chambre a ensuite ajourné ses travaux.
