**SPECIAL DEBATES – WANT OF  
CONFIDENCE**

**DÉBATS SPÉCIAUX – CENSURE**

Mr. Runciman – That, in the opinion of this House, since the Premier has failed to ensure the highest level of integrity for his ministers, and that, while under a cloud of scandal, his government as a whole is sorely lacking vision and any real plan to deal with the urgent issues facing Ontarians and their pocket books, the government no longer has the confidence of this House. Filed on October 13, 2005.

---

Mr. Tory – That, in the opinion of this House, due to the Premier's weak leadership in dealing with the Caledonia issue and his refusal to even acknowledge the severity of the issue by consistently trivializing the 100-plus days of occupation as having passed "without incident";

And, due to the fact that the McGuinty government has abandoned its own clear-cut conditions precedent for the negotiation talks to resume;

And, due to the injury of 16 OPP officers and the irrefutable damage caused to the image and reputation of the OPP – Ontario's respected police force upon which Ontarians depend to maintain law and order in this province, and for which the McGuinty government is ultimately responsible;

And, due to the fact that the McGuinty government has placed itself in a weak negotiating position and has set a potentially dangerous precedent by purchasing the land while it continues to be occupied by parties subject to a court order which has not been complied with;

And, due to the fact that the McGuinty government has further weakened its negotiating position by resuming negotiations while a majority of suspects named in arrest warrants remain at large (including one wanted for attempted murder of an OPP officer), contrary to Premier McGuinty's own conditions;

And, due to the McGuinty government's refusal to uphold the rule of law as it applies to all residents of Ontario without exception;

The Legislature of Ontario has lost confidence in the McGuinty government. Filed on June 21, 2006.

MOTION**

**AVIS DE MOTIONS ÉMANANT DES

Filed on October 26, 2005.
7. Mr. Wilson – That, in the opinion of this House, the Government of Ontario should start a campaign to educate the public about Bill 191, Highway Traffic Act Amendment Act (Emergency Vehicle Safety), 2002, that requires motorists to slow down and, where possible and safe to do so, move to a lane not adjacent to the one in which an emergency vehicle is situated to protect police officers, firefighters and other emergency personnel whose vehicles are stopped on the shoulder of the province's roadways with the red lights flashing. Filed on November 15, 2005.
10. Ms. Horwath – That, in the opinion of this House, the Ontario Liberal government refuse to allow garbage from the Greater Toronto Area to be brought to Glanbrook Landfill site or anywhere in the City of Hamilton without authorization of a majority of members of Hamilton City Council and/or a referendum of Hamilton residents. Filed on December 14, 2005.
12. Filed on April 25, 2006.
17. Ms. Horwath – That, in the opinion of this House, the Government of Ontario should urge the Government of Canada in the strongest possible terms to reconsider its refusal to protect and enhance progress on child care and should uphold the 2005 negotiated agreements on early learning and child care; and  

That the Government of Ontario should honour its commitment to new, annual provincial funding to create new child care spaces in Ontario, beyond those targeted to be in place by September 2006, by investing the \$300 million it promised in 2003 to expand the high quality provincial program of accessible, affordable, regulated and licensed, not-for-profit child care. Filed on June 12, 2006.

- 21. Ms. Horwath – That, in the opinion of this House, the Minister of Labour should direct the Workplace Safety and Insurance Board to establish a joint trusteeship model for the governance of the Workplace Safety and Insurance Board (WSIB) Pension Plan and, accordingly, make it clear that the Government of Ontario expects the implementation of joint trusteeship to be considered in the context of any review of the WSIB Pension Plan. Filed on June 14, 2006.
- 22. Mr. Tabuns – That in the opinion of this House, to ensure equal treatment of co-mothers, as ordered by Justice Rivard, the Government of Ontario immediately proclaim the amended Section 9 of the Vital Statistics Act, relating to Certification of Birth, which reads:  

‘The mother and father, or either of them, in such circumstances as may be prescribed, or such other person as may be prescribed, shall certify the birth in Ontario of a child in the manner, within the time and to the person prescribed by the regulations.’,

and via regulation, identify co-mothers as persons who can certify a child’s birth. Filed on June 21, 2006.
- 23. Mr. Tabuns – That, in the Opinion of this House, June 22 be proclaimed as Chinese Canadian Head Tax Redress Day to honour the head tax families, Chinese Canadian National Council, Ontario Coalition of Chinese Head Tax Payers and Families and the entire Chinese Canadian community; their efforts seeking to rectify injustices that resulted from the Head Tax and the Chinese Exclusion Act; and to honour their contributions towards making Ontario a more prosperous and inclusive society. Filed on September 25, 2006.
- 25. Ms. DiNovo – That, in the opinion of this House, the Government of Ontario should immediately end the clawback of the National Child Benefit Supplement from all families in Ontario. Filed on October 2, 2006.
