2. Mr. Walker – That, in the opinion of this House, the Minister of Community Safety and Correctional Services must suspend implementation of the decision to close the Owen Sound, Walkerton and Sarnia jails pending a full public review of the decision, and begin consultations with local stakeholder groups that would be adversely impacted by the closures. Filed November 23, 2011.

5. Ms. Thompson – That, in the opinion of this House, community stakeholder consultations should be mandatory before a provincial institution, for example a jail or a school, be ordered for closure by the government. Filed November 30, 2011.

10. Ms. DiNovo – That, in the opinion of this House, March 10 be declared “Tibet Day” in honour of His Holiness – the Dalai Lama and our Tibetan citizens. Filed February 27, 2012.

12. Mr. Wilson – That, in the opinion of this House, the Minister of Finance must implement, without further delay, regulations to allow for the transfer of pension assets under the *Pension Benefits Amendment Act* so that no more public sector employees will be forced to retire without the full pension benefits that they earned through years of hard work on behalf of the people of Ontario. Filed March 6, 2012.

13. Mr. O’Toole – That, in the opinion of this House, the Province of Ontario, through the Ministry of the Environment and the Ministry of Natural Resources shall establish regulations to govern the quality and movement of commercial fill to address the creation of soil classifications, testing requirements, and a permitting and approval process for commercial fill operations. Filed March 7, 2012.

16. Ms. Campbell – That, in the opinion of this House, the Government of Ontario should immediately move to implement a consultative process in the North to consider changes to the Far North Act. The review’s focus shall include, but not be limited to, the following:

- Elimination of the provision in the Act that allows the government to arbitrarily overrule land use plans and allow development whenever the government determines that development is in “the social and economic interests” of Ontario.
- Adequate funding of First Nations land use planning.
- Implementation of provisions that allow for the creation of a joint body that would be composed of equal numbers of First Nations members and Government of Ontario officials. This joint body would advise on the development, implementation, and coordination of land use planning in the Far North as well as perform any other advisory function to which the First Nations and Minister agree.
- Serious consideration of innovations similar to those included in Quebec’s Plan du Nord such as a coordinating body for public investments in the Far North and an effective resource revenue sharing model which provides for the sharing of revenues between First Nations and the Ontario government on all resource related projects in the Far North; and

That new legislation be introduced to replace the existing Far North Act upon completion of this consultative process. Filed March 22, 2012.

19. Mr. Moridi – That, in the opinion of this House, the Ministry of Health and Long-Term Care should, as soon as possible, establish a committee consisting of experts to review the *Healing Arts Radiation Protection Act (1990)* and its regulations and make recommendations on how to modernize this Act, and bring it to 21st century standards, so that it becomes responsive to the safety of patients and the public and to include all forms of radiation that are currently used in the health care sector for diagnostic and therapeutic purposes. Filed April 17, 2012.

20. Mr. O’Toole – That, in the opinion of this House, proposed Building Code amendments regarding wood frame buildings should give due consideration to input from all stakeholders in the construction industry, including Ontario’s cement and steel manufacturers; and further that, in selecting construction materials, the principle of allowing experts to choose the right material for the right project shall prevail; and further ensure that in all cases/applications, public safety must be the highest priority.
