The Speaker delivered the following ruling:-

Le Président a rendu la décision suivante :-

On September 13, 2012, in response to a point of privilege raised by the Member for Cambridge on August 27, 1 ruled that a *prima facie* case of privilege had been established. On October 2, the House adopted a motion to refer this matter to the Standing Committee on Finance and Economic Affairs. The Session was then prorogued on October 15, before the Committee had even its first meeting to consider this issue.

Careful research has revealed that this circumstance of a privilege matter in one of our committees being interrupted by a prorogation has not occurred in the Ontario Legislature. Moreover, it is a strikingly rare occurrence in the senior parliaments of the Commonwealth. However, a similar instance was found to have occurred in the Canadian House of Commons in 2004. Speaker Milliken decided that a matter of privilege that had already been ruled on and referred by the House to a committee, but left unfinished because of an intervening prorogation, could be renewed in the new Session.

Speaker Milliken found that the committee was entitled to conduct its review of the matter and make its report to the House. He confirmed his previous ruling and that a bona fide case of privilege existed, and he permitted the member who initially raised the matter to move his same motion to refer the matter to committee again.

Similarly, in the matter raised by the Member for Cambridge, it is true that the October 15, 2012 prorogation terminated all business of the Standing Committee on Finance and Economic Affairs, including the referral of the matter of my September 13, 2012 ruling. In that ruling, a *prima facie* case of privilege had been established and, as Speaker Milliken found, a prorogation does not nullify such a finding.

I therefore re-confirm my ruling of September 13, 2012 and invite the Member for Cambridge to renew his motion to refer this matter to committee.

Mr. Leone moved,

M. Leone propose,

That this House directs the Minister of Energy and the Ontario Power Authority to immediately table with the Clerk of the House all remaining documents related to the Oakville and Mississauga Gas Plants ordered by the Standing Committee on Estimates on May 16, 2012; and

That the matter of the Speaker's finding of a *prima facie* case of privilege, with respect to the production of documents by the Minister of Energy and the Ontario Power Authority to the Standing Committee on Estimates, be referred to the Standing Committee on Justice Policy, which is hereby re-constituted as it existed on September 9, 2012; and

That the Committee shall be authorized to meet at the call of the Chair, concurrently with the House or when the House stands adjourned, to meet notwithstanding prorogation of the House; and

That the Committee shall report back to the House its findings and recommendations within 90 calendar days, and, if the House is not sitting, release with the Clerk of the House its report, except, that if the committee determines that more time is required, it shall issue an interim report at the 90 day mark and then take such reasonable time as it considers necessary to complete its final report.

Debate arose and after some time,

Il s'élève un débat et après quelque temps,

Mr. Milloy moved,

M. Milloy propose,

That the motion be amended to add the following paragraph after the second paragraph of the motion:

“That, in exercising its authority throughout the Committee proceedings, the Committee shall adhere to the minimum standards of procedural fairness and the principles of fundamental justice as required by the Charter of Rights and Freedoms.”

Debate resumed and after some time, the amendment carried.

Mr. Leone’s motion, as amended, carried.

And it was,

Ordered, That this House directs the Minister of Energy and the Ontario Power Authority to immediately table with the Clerk of the House all remaining documents related to the Oakville and Mississauga Gas Plants ordered by the Standing Committee on Estimates on May 16, 2012; and

That the matter of the Speaker's finding of a *prima facie* case of privilege, with respect to the production of documents by the Minister of Energy and the Ontario Power Authority to the Standing Committee on Estimates, be referred to the Standing Committee on Justice Policy, which is hereby re-constituted as it existed on September 9, 2012; and

That, in exercising its authority throughout the Committee proceedings, the Committee shall adhere to the minimum standards of procedural fairness and the principles of fundamental justice as required by the Charter of Rights and Freedoms; and

That the Committee shall be authorized to meet at the call of the Chair, concurrently with the House or when the House stands adjourned, to meet notwithstanding prorogation of the House; and

That the Committee shall report back to the House its findings and recommendations within 90 calendar days, and, if the House is not sitting, release with the Clerk of the House its report, except, that if the committee determines that more time is required, it shall issue an interim report at the 90 day mark and then take such reasonable time as it considers necessary to complete its final report.
