**ORDERS OF THE DAY****Opposition Day Number 4**

Mr. Hudak – That the Legislative Assembly of Ontario calls upon the government,

To recognize that Niagara Health System supervisor, Dr. Kevin Smith, recommended that consolidating existing hospitals in Niagara into a new Niagara South Hospital will provide better services for patients and families by simplifying physician and staff coverage to enhance response times and reduce wait times; attracting and retaining specialists because of increased workload; and investing in state of the art equipment by eliminating the costs of duplicate machines at multiple facilities;

To recognize that the Wynne Liberal government received Dr. Smith's final report to build a South Niagara Hospital in September 2012 and for 14 months have dragged their feet on implementing his recommendations that would save taxpayers \$285 million in capital costs and \$10 million annually in operating costs - money that can be used to attract and hire more nurses and specialists.

To recognize that Dr. Smith stated on November 15th, 2013, that “it doesn't make financial or medical sense to build a new South Niagara Hospital and keep the existing sites open”;

Therefore, it is the opinion of the Legislative Assembly of Ontario that a new Niagara South Hospital should be built at the Lyons Creek location in Niagara Falls, along with two additional urgent care facilities, to replace the Douglas Memorial Hospital, Greater Niagara General Hospital, Port Colborne Hospital, and the Welland Hospital. Addressed to the Premier of Ontario.

**NOTICES****AVIS****SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE  
L'OPPOSITION**

4. Mr. Hudak – That the Legislative Assembly of Ontario calls upon the government,

To recognize that Niagara Health System supervisor, Dr. Kevin Smith, recommended that consolidating existing hospitals in Niagara into a new Niagara South Hospital will provide better services for patients and families by simplifying physician and staff coverage to enhance response times and reduce wait times; attracting and retaining specialists because of increased workload; and investing in state of the art equipment by eliminating the costs of duplicate machines at multiple facilities;

To recognize that the Wynne Liberal government received Dr. Smith's final report to build a South Niagara Hospital in September 2012 and for 14 months have dragged their feet on implementing his recommendations that would save taxpayers \$285 million in capital costs and \$10 million annually in operating costs - money that can be used to attract and hire more nurses and specialists.

To recognize that Dr. Smith stated on November 15th, 2013, that “it doesn't make financial or medical sense to build a new South Niagara Hospital and keep the existing sites open”;

Therefore, it is the opinion of the Legislative Assembly of Ontario that a new Niagara South Hospital should be built at the Lyons Creek location in Niagara Falls, along with two additional urgent care facilities, to replace the Douglas Memorial Hospital, Greater Niagara General Hospital, Port Colborne Hospital, and the Welland Hospital.

Addressed to the Premier of Ontario. To be debated today.

**SPECIAL DEBATES – WANT OF  
CONFIDENCE****DEBATS SPECIAUX – CENSURE**

Mr. Wilson – Whereas, the McGuinty-Wynne Governments have repeatedly put the political fortunes of the Liberal Party ahead of both the people and the Province of Ontario, abused their power and wasted hundreds of millions of taxpayer dollars to cancel gas plants in both Oakville and Mississauga so as to retain Liberal seats and save their own political skins in a desperate attempt to cling to power;

Whereas, the Speaker of the Legislature made a finding of *prima facie* breach of privilege for nonproduction of documents requested by the Standing Committee on Estimates, which when finally provided, revealed that the Liberal Government had failed to report the true costs of the cancelled gas plants and also exposed inappropriate political interference at the highest levels of the Liberal Government;

Whereas, the Auditor General, in the wake of the growing scandal, sought to expose the true costs of the cancelled gas plants after numerous Liberal Ministers, including then Premier McGuinty and Premier Wynne in her previous Ministerial role, made public pronouncements, both in the House and to the media that were suspiciously low. The Auditor General confirmed on April 15<sup>th</sup>, 2013 that the true cost of cancelling the Mississauga Gas Plant was \$275 million dollars, or 45% higher than what the Liberal Government had repeatedly told the people of Ontario;

Whereas, Premier Wynne, in her former Ministerial role personally Chaired the meeting and signed off on the process that cancelled the Oakville Gas Plant, yet never disclosed her role in this decision until evidence surfaced that showed Premier Wynne, in fact had known intimate details about the true costs associated with the Liberal Government's decision to cancel the Oakville gas plant;

Whereas, conflicting testimony before the Standing Committee on Justice has hindered the Committee's ability to get to the bottom of the gas plant scandal;

Whereas, the gas plant scandals, combined with those at eHealth and ORNGE amount to literally billions of taxpayer dollars being wasted on scandals and expose the McGuinty-Wynne Liberal Government's utter lack of competence and its failure to get the basics right so as to get results for Ontarians; and, these scandals prove that the Liberals will put selfish interests of their Party ahead of the people and Province of Ontario;

Therefore, the Government has lost the confidence of this House. Filed April 29, 2013.
