**NOTICES****AVIS****SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE  
L'OPPOSITION**

3. Ms. Horwath — Whereas the government of Canada has failed to provide predictable funding to develop and deliver affordable, accessible, and high quality early childhood education and childcare programs in Ontario;

Whereas families pay monthly fees of \$1152 on average for one childcare spot in Ontario compared to \$152 per month in the province of Quebec;

Whereas investing in high quality childcare will reduce the stress on families; benefit children's development and future academic success; allow more parents to reenter the work force, retrain or go to school; reduce dependence on social assistance; reduce poverty; and will bring \$1.75 in return for every dollar invested by our government;

Whereas families, businesses and the economy at large will benefit from investing in our early childhood education and childcare programs;

Therefore, in the opinion of this House, this province should partner with the Federal Government to ensure that every parent in Ontario has access to childcare at a cost of no more than \$15 a day per child.

Addressed to the Premier. To be debated Tuesday, November 18, 2014.

**PRIVATE MEMBERS' NOTICES  
OF MOTION****AVIS DE MOTIONS ÉMANANT  
DES DÉPUTÉS**

1. Mr. Arnott — That, in the opinion of this House, the Minister of Transportation should prioritize the Highway 6 Morrison Bypass project by placing it on the Southern Highways Program, the Ministry's five-year investment plan in highway construction for Southern Ontario; and in the short term, support immediate measures to calm highway traffic through Morrison in the Township of Puslinch. Filed July 3, 2014.

2. Mr. Arnott — That, in the opinion of this House, the Minister of Transportation should immediately move forward to fulfill the Government's commitment to provide full day, two way GO Transit train service on the Kitchener Line between Waterloo Region and the GTA with stops in Wellington-Halton Hills. Filed July 3, 2014.

3. Mr. Arnott — That, in the opinion of this House, the Government should develop a strategy to ensure that all Ontarians have access to affordable, reliable, high speed internet; and work collaboratively with the Western Ontario Warden's Caucus and the Federal Government to achieve this goal through the development of public/private partnerships. Filed July 3, 2014.

4. Mr. Clark — That, in the opinion of this House, the Minister of Health and Long-Term Care should immediately consider all options to remove the cost of mandatory water testing from non-profit organizations that operate Small Drinking Water Systems; and further that these options include having tests conducted at no charge by local public health units, as is now the case for rural homeowners. Filed July 22, 2014.

5. Mr. Clark — That, in the opinion of this House, to express the gratitude all Ontarians feel, the Lieutenant Governor's Military Service Pin should be established to recognize the sacrifices of Ontarians who have served, or are serving, in Canada's armed forces with valour and distinction in conflicts around the world to uphold the values of liberty, justice and peace that we all hold dear; and that the pin should be designed to be worn on civilian clothing in order that those who have served may be recognized when they are not in uniform. Filed July 22, 2014.

7. Ms. Naidoo-Harris — That, in the opinion of this House, we should all join together to celebrate the success and strength of Canadian athletes and mark the positive legacy of the upcoming Pan and Parapan American Games in 2015 by recognizing July 2015 as Pan Am Month and August 2015 as Parapan Month in Ontario.
