**ORDERS OF THE DAY****Opposition Day Number 3**

Ms. Horwath — Whereas the government of Canada has failed to provide predictable funding to develop and deliver affordable, accessible, and high quality early childhood education and childcare programs in Ontario;

Whereas families pay monthly fees of \$1152 on average for one childcare spot in Ontario compared to \$152 per month in the province of Quebec;

Whereas investing in high quality childcare will reduce the stress on families; benefit children's development and future academic success; allow more parents to reenter the work force, retrain or go to school; reduce dependence on social assistance; reduce poverty; and will bring \$1.75 in return for every dollar invested by our government;

Whereas families, businesses and the economy at large will benefit from investing in our early childhood education and childcare programs;

Therefore, in the opinion of this House, this province should partner with the Federal Government to ensure that every parent in Ontario has access to childcare at a cost of no more than \$15 a day per child. Addressed to the Premier.
