ORDERS OF THE DAY**Opposition Day Number 4**

Ms. Scott — That, in the opinion of this House, the Ontario Legislature should make it clear that sexual harassment will not be tolerated as it violates our fundamental values and that our culture is at a turning point - by acting now, and supporting this important dialogue, we can catalyze change and build a safer and more equitable workplace environment for current and future generations; and, that a select committee should be established no later than December 4, 2014 to make recommendations on combating sexual harassment in the workplace and protecting victims from further harm; and

That in developing its recommendations, the committee shall focus on the following issues: (1) why people, mainly women, are reluctant to report incidents of harassment in workplaces across Ontario. (2) why victims fear that they will be ostracized, that they will suffer professionally, and most of all, why they fear that they will not be believed; and, (3) preventing the further victimization from occurring after the harassment or assault with the unjust treatment of the victims and a chronic failure to hold perpetrators to account.

As such, this committee will be comprised of two members from each of the recognized parties, and that the committee have the ability to conduct their meetings in camera, to ensure that women feel supported and can maintain anonymity as they share their stories. Furthermore, the committee should hear from experts, then make recommendations regarding the development of best practices to prevent sexual harassment and, when it occurs, to address it in a way which supports and respects the victims; and

That the committee shall have the authority to conduct province wide hearings and undertake research, and generally shall have such powers and duties as are required to develop recommendations on a comprehensive strategy to combat sexual harassment in the work place and protect victims of sexual harassment from further harm; and

That the committee shall present an interim report to the House no later than June 4, 2015, and a final report no later than October 29, 2015. Addressed to the Premier.

L'OPPOSITION**

4. Ms. Scott — That, in the opinion of this House, the Ontario Legislature should make it clear that sexual harassment will not be tolerated as it violates our fundamental values and that our culture is at a turning point - by acting now, and supporting this important dialogue, we can catalyze change and build a safer and more equitable workplace environment for current and future generations; and, that a select committee should be established no later than December 4, 2014 to make recommendations on combating sexual harassment in the workplace and protecting victims from further harm; and

That in developing its recommendations, the committee shall focus on the following issues: (1) why people, mainly women, are reluctant to report incidents of harassment in workplaces across Ontario. (2) why victims fear that they will be ostracized, that they will suffer professionally, and most of all, why they fear that they will not be believed; and, (3) preventing the further victimization from occurring after the harassment or assault with the unjust treatment of the victims and a chronic failure to hold perpetrators to account.

As such, this committee will be comprised of two members from each of the recognized parties, and that the committee have the ability to conduct their meetings in camera, to ensure that women feel supported and can maintain anonymity as they share their stories. Furthermore, the committee should hear from experts, then make recommendations regarding the development of best practices to prevent sexual harassment and, when it occurs, to address it in a way which supports and respects the victims; and

That the committee shall have the authority to conduct province wide hearings and undertake research, and generally shall have such powers and duties as are required to develop recommendations on a comprehensive strategy to combat sexual harassment in the work place and protect victims of sexual harassment from further harm; and

That the committee shall present an interim report to the House no later than June 4, 2015, and a final report no later than October 29, 2015.

Addressed to the Premier. To be debated today.

Filed July 22, 2014.

5. Mr. Clark — That, in the opinion of this House, to express the gratitude all Ontarians feel, the Lieutenant Governor's Military Service Pin should be established to recognize the sacrifices of Ontarians who have served, or are serving, in Canada's armed forces with valour and distinction in conflicts around the world to uphold the values of liberty, justice and peace that we all hold dear; and that the pin should be designed to be worn on civilian clothing in order that those who have served may be recognized when they are not in uniform.
