Mr. Balkissoon — That, in the opinion of this House, a Select Committee of the Legislative Assembly should be formed to investigate the electoral administrative process, voting procedures and complaints, make recommendations to amend the Elections Act to improve said processes; and while conducting the review, the Committee shall focus on specific issues of concern, including:

1. The quality and integrity of the Permanent Electors List;
2. The quality and integrity of voter identification documents and verification of Canadian Citizenship and residency required;
3. Improving the roles and rights of candidates and/or their representatives in their ability to verify proper identification and citizenship requirements have been met for all voters;
4. The establishment of a third-party review and complaints system to provide impartial investigation and resolution on conflicts that may arise as a result of irregularities identified by candidates, a candidate's representative, electors, and individuals of the public, including issues identified with the operations by Elections Ontario; and
5. Improving the record keeping process for all challenged ballots/voters to facilitate a detailed complaint review process.

That the Committee shall have the authority to conduct province wide hearings and undertake research, and generally shall have such powers and duties as are required to investigate the issue.

That the Committee shall present an Interim Report to the House no later than September 24, 2015 and a Final Report no later than February 25, 2016. Filed March 24, 2015.

46. Mr. Natyshak — That, in the opinion of this House, the Minister of Transportation should amend the funded projects identified by the Province's Southern Highway Program for 2015-2019 to include the expansion and widening of the Essex to Leamington section of Highway 3 Bruce Crozier Way in keeping with the identified safety, economic development and infrastructure priorities of the region. Filed April 28, 2015.

47. Ms. Vernile — That, in the opinion of this House, the Ontario Legislative Assembly should recognize that evidence clearly shows vaccinations keep Ontarians safe and protect children from many serious, preventable diseases which are easily spread in schools and public places, including to individuals who are unable to receive vaccinations due to medical conditions or their age, and that the Legislative Assembly should strongly encourage all parents and guardians to ensure that children who are medically able are vaccinated. Filed May 7, 2015.

48. Ms. Scott — That, in the opinion of this House, the Government should immediately create a provincial task force to combat human trafficking in Ontario, with such task force having a structure, complement and funding model similar to the existing Guns and Gangs Provincial Task Force.
