ORDERS OF THE DAY**Opposition Day Number 1**

Ms. Horwath — Whereas the Government of Ontario has eliminated public oversight of Hydro One by revoking the powers of the following independent, non-partisan Officers of the Legislative Assembly: the Auditor General, Ombudsman, Information and Privacy Commissioner, Integrity Commissioner, French Language Services Commissioner, Provincial Advocate for Children and Youth, Environmental Commissioner and Financial Accountability Officer; and

Whereas the Government of Ontario has denied all freedom of information requests related to the privatization of Hydro One, including all records of the costs and risks related to the sale; and

Whereas more than 80% of Ontarians oppose the Government's plan to privatize Hydro One; and

Whereas the Government of Ontario refused to hold public consultations on the privatization of Hydro One across the province before moving ahead with the 2015 Ontario Budget; and

Whereas Ontarians have a right to accurate information, non-partisan analysis and to be heard before the sale of Hydro One begins;

Therefore, it is the opinion of this House that the Minister of Energy immediately invoke Section 35 of the Ontario Energy Board Act and order the Ontario Energy Board to conduct an independent, public, non-partisan review on the impact of the proposed privatization of Hydro One prior to launching any sale of shares or stock.

Addressed to the Premier.

L'OPPOSITION**

1. Ms. Horwath — Whereas the Government of Ontario has eliminated public oversight of Hydro One by revoking the powers of the following independent, non-partisan Officers of the Legislative Assembly: the Auditor General, Ombudsman, Information and Privacy Commissioner, Integrity Commissioner, French Language Services Commissioner, Provincial Advocate for Children and Youth, Environmental Commissioner and Financial Accountability Officer; and

Whereas the Government of Ontario has denied all freedom of information requests related to the privatization of Hydro One, including all records of the costs and risks related to the sale; and

Whereas more than 80% of Ontarians oppose the Government's plan to privatize Hydro One; and

Whereas the Government of Ontario refused to hold public consultations on the privatization of Hydro One across the province before moving ahead with the 2015 Ontario Budget; and

Whereas Ontarians have a right to accurate information, non-partisan analysis and to be heard before the sale of Hydro One begins;

Therefore, it is the opinion of this House that the Minister of Energy immediately invoke Section 35 of the Ontario Energy Board Act and order the Ontario Energy Board to conduct an independent, public, non-partisan review on the impact of the proposed privatization of Hydro One prior to launching any sale of shares or stock.

Addressed to the Premier. To be debated today.
