The Committee should review the Report of the Ontario Citizens' Council regarding funding for drugs for rare diseases that was presented to the Ontario Drug Program in 2010 and review the effectiveness of the draft framework from when it was first introduced in 2011. The Committee should also review the coordination of delivery of funding for diagnosis and treatment for rare diseases (DRDs) across provincial ministries and agencies; and that in developing its strategy and recommendations, the Committee should focus on the following issues:

That the Committee shall meet on Wednesdays following Routine Proceedings until 6:00 p.m.; and

That in the event of, and notwithstanding, any prorogation of the House before the presentation of the Committee's final report, the Committee should be deemed to be continued to the subsequent session or sessions and may continue to meet during any such prorogation; and

That, notwithstanding Standing Order 113(a), the Committee shall be composed of six members from the government, one of whom shall be the Chair, two members from the official opposition, one of whom shall be the Vice-Chair, and one member from the third party;
