L'OPPOSITION**

2. Mr. Brown — Whereas, Ontario has had 9 consecutive deficit budgets; and  
 Whereas, Ontario pays nearly a billion dollars a month in interest payments; and  
 Whereas, Ontario now carries over \$300 billion of debt due to years of scandal, waste and mismanagement in particular with the gas plants, eHealth, Ornge and smart meters; and  
 Whereas, the Auditor General has warned that Ontario's debt levels are a heavy load; and  
 Whereas, the Auditor General has identified that the debt burden will lead to the crowding out of frontline services; and  
 Whereas, the crowding out is being realized as this government has fired over a thousand nurses and threatens to close special education demonstration schools; and  
 Whereas, hospital beds are being closed, the cost of medication for seniors is being raised and funding for doctors is being slashed because of this government's debt and deficit;  
 The Legislative Assembly of Ontario calls on the Liberal Government to present a truly credible plan to balance the budget, take immediate action to pay down the debt and to preserve quality education and health services.

Addressed to the Premier. To be debated Wednesday, April 6, 2016.
