**NOTICES****AVIS****SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE  
L'OPPOSITION**

2. Mr. Brown — Whereas, the Auditor General revealed that the government's Fair Hydro Plan could cost Ontarians up to \$4 billion more than necessary;

Whereas, the government passed legislation to make their own accounting rules that serve to dilute the impact of their financial decisions;

Whereas, the government's intention in creating the accounting and financing design to handle the costs of the electricity rate reduction was to avoid affecting its fiscal plan;

Whereas, the government should have recorded the true financial impact of the Fair Hydro Plan's electricity rate reduction on the Province's budgets and consolidated financial statements;

Whereas, the government should have used a financing structure to fund the rate reduction that is least costly for Ontarians;

Therefore, the Legislative Assembly of Ontario calls on the Liberal government to issue an apology to the Auditor General and the people of Ontario.

Addressed to the Premier. To be debated October 24, 2017.

Mr. Fedeli — **REASONED AMENDMENT** — That the motion for Second Reading of Bill 127, An Act to implement Budget measures and to enact, amend and repeal various statutes be amended by deleting all the words after “That” and substituting therefore with the words “this Bill be NOT now be read a Second time but be referred back to the Government with instructions to incorporate therein:

- A plan to immediately begin paying down the debt rather than adding an additional \$10 billion in debt this year to the most indebted sub-national government in the world.” Filed May 2, 2017.

57. M<sup>me</sup> Gélinas — That, in the opinion of this House, violence against nurses and all front-line health care workers in hospitals, long-term care homes and throughout Ontario’s healthcare system is unacceptable and the Criminal Code should be amended to make assault of a health care worker a more serious offence. Filed May 8, 2017.

61. Mr. Walker — That, in the opinion of this House, the Government of Ontario, recognizing that the current access symbol is nearly half-a-century old, depicting a symbol of a stationary person, should adopt the new symbol featuring a dynamic individual, leaning forward with a sense of movement, and known universally as the “Modified International Symbol of Access,” which highlights independence and engagement, and emphasizes the visual focus from the wheelchair to the individual, and, furthermore, that the new symbol be used when a new accessible parking space is being created or when an old sign needs to be replaced, thereby coming at no additional cost to Ontario taxpayers or businesses. Filed May 30, 2017.

64. Mr. Bailey — That, in the opinion of this House, the Government should immediately strike an Advisory council on pediatric autoimmune neuropsychiatric disorder associated with streptococcal infections and pediatric acute-onset neuropsychiatric syndrome to advise the Minister of Health and Long-Term Care on research, diagnosis, treatment, and education relating to the disorder and syndrome. Filed September 12, 2017.

66. Ms. Wong — That, in the opinion of this House, the Ontario Legislature must acknowledge and honour the over 200,000 victims of the Nanjing Massacre, as well as foster learning of the Nanjing Massacre and other World War II atrocities in Asia by formally recognizing December 13<sup>th</sup> in each year as "Nanjing Massacre Commemorative Day" in the Province of Ontario.
