**PRIVATE MEMBERS' NOTICES  
OF MOTION**

**AVIS DE MOTIONS ÉMANANT  
DES DÉPUTÉS**

1. Mr. Clark — That, in the opinion of this House, Members recognize the sacrifices made by Ontario's veterans who have served with valour and distinction in conflicts around the world to uphold the values of liberty, justice and peace that we all hold dear. That, as an expression of the gratitude all Ontarians feel for their service, the government of Ontario is directed to establish the Lieutenant Governor's Military Service Pin to recognize those Ontarians who have served, or are serving, in Canada's Armed Forces. And further that the pin be designed to be worn on civilian clothing in order that those who have served may be recognized when they are not in uniform. Filed March 19, 2018.

2. Mr. Clark — That, in the opinion of this House, the Minister of Health and Long-Term Care immediately consider all options to remove the cost of mandatory water testing from non-profit organizations that operate Small Drinking Water Systems. And further that these options include having tests conducted at no charge by local public health units, as is now the case for rural homeowners. Filed March 19, 2018.

3. Mrs. Gretzky — That, in the opinion of this House, the Government of Ontario should reverse years of chronic underfunding and provide adequate resources for Windsor's community-based support agencies for women and shelters for women, in an effort to increase women's access to family services, counselling and addictions services, work integration, mental health and wellness supports; and improve quality of life for the one in four women and one in four children who live below the low-income line in Windsor. Filed March 20, 2018.

4.
