DES DÉPUTÉS**

1. Mr. Clark — That, in the opinion of this House, Members recognize the sacrifices made by Ontario's veterans who have served with valour and distinction in conflicts around the world to uphold the values of liberty, justice and peace that we all hold dear. That, as an expression of the gratitude all Ontarians feel for their service, the government of Ontario is directed to establish the Lieutenant Governor's Military Service Pin to recognize those Ontarians who have served, or are serving, in Canada's Armed Forces. And further that the pin be designed to be worn on civilian clothing in order that those who have served may be recognized when they are not in uniform. Filed March 19, 2018.
2. Mr. Clark — That, in the opinion of this House, the Minister of Health and Long-Term Care immediately consider all options to remove the cost of mandatory water testing from non-profit organizations that operate Small Drinking Water Systems. And further that these options include having tests conducted at no charge by local public health units, as is now the case for rural homeowners. Filed March 19, 2018.
3. Mrs. Gretzky — That, in the opinion of this House, the Government of Ontario should reverse years of chronic underfunding and provide adequate resources for Windsor's community-based support agencies for women and shelters for women, in an effort to increase women's access to family services, counselling and addictions services, work integration, mental health and wellness supports; and improve quality of life for the one in four women and one in four children who live below the low-income line in Windsor. Filed March 20, 2018.
4. Ms. Thompson — That, in the opinion of this House, the Minister of Health and Long-Term Care must enhance and update data collection and surveillance strategies of black-legged ticks which can carry Lyme disease to provide a current analysis of at risk regions, ultimately promoting better awareness, prevention, diagnosis, and treatments for front line health officials and the people of Ontario. Filed March 21, 2018.
5. Ms. Thompson — That, in the opinion of this House, the government should recognize the importance of Indigenous literature by ensuring that the Ministry of Education includes a mandatory component of Indigenous literature in the grade 9 and 10 English curriculum. Filed March 21, 2018.
6. Mr. Hillier — That, in the opinion of this House, the Standing Committee on the Legislative Assembly should be instructed to (a) consider the removal of the Government's monopoly on calling Bills for Third Reading; (b) propose any necessary modifications to the Standing Orders and the practices of the House; and (c) report its findings to the House no later than six months following the adoption of this order. Filed March 21, 2018.
7. Mr. Hillier — That, in the opinion of this House, the government must recognize the need to continue on with the business of the prior Session of the House with regards to Bill 16, the Public Safety Related to Dogs Statute Law Amendment Act, 2011 of the First Session of the Fortieth Parliament of the Legislative Assembly of Ontario, resurrect Bill 16 in the form it was in on May 10, 2012, that is ordered for Third Reading, and call the Bill for Third Reading in the House. Filed March 21, 2018.
8. Filed March 21, 2018.

19. Mr. Hillier — That, in the opinion of this House, the House recommends to the Standing Committee on the Legislative Assembly that, should the Standing Orders be amended to compel the Speaker to call at least one backbench motion for debate each month or to reflect other practices regarding backbench motions before the House, the Standing Orders and practices of this House be changed to require that the Clerk of the Legislative Assembly of Ontario record and publish the order of debate for all motions tabled before the House.
