Mr. Piccini – That, in the opinion of the House, the Government of Ontario should promote organ donation and should make the completion of the renewal or issuance of a health card or driver's licence conditional on a declaration that forms part of the card or licence renewal process; and that specifies whether or not the person consents to having their organs or tissue used for transplant purposes after the person's death; and that in the event more than one such valid consent is made, the most recent declaration prevails over all previous ones.

Ballot Item Number 15 – To be debated August 23, 2018.**Private Members' Notice of Motion Number 12****Avis de motion numéro 12 émanant d'une députée**

Miss Taylor – That, in the opinion of this House, the Government of Ontario should honour its commitments and work in the best interests of all Ontarians, regardless of ability, occupation, income or socio-economic status, by immediately reversing its callous decisions to (a) slash expected increases to social assistance rates in half, dragging Ontario backwards and pushing vulnerable Ontarians deeper into poverty, and (b) cancel the Basic Income Pilot Project in Hamilton, Brantford, Brant County, Lindsay and Thunder Bay, a project that has lifted thousands of Ontarians out of poverty and was in the process of collecting invaluable data about the long-term effectiveness and sustainability of such a program.
