ORDERS OF THE DAY

ORDRE DU JOUR

Opposition Day

Jour de l'opposition

Ms. Horwath moved,

M^{me} Horwath propose,

Whereas the Government has announced changes to education funding that will reduce teacher-to-student ratios and make online learning mandatory resulting in larger class sizes and lost jobs for education workers; and

Whereas larger class sizes will result in less individual attention for students and ultimately reduce course options for students particularly in applied learning and the arts; and

Whereas online learning is not appropriate for most students and research shows that it mostly hurts students who are already struggling; and

Whereas rural school boards have expressed concerns that these changes will negatively impact students who live in areas with smaller populations and have limited access to broadband services; and

Whereas school boards have indicated that these changes will disproportionately affect programs and supports for Black, Indigenous and other racialized youth; and

Whereas the Government's changes will result in fewer adults supporting and educating students in our schools, be they teachers, social workers, guidance counsellors, educational assistants;

Therefore the Legislative Assembly calls on the Government to reverse their planned changes to education funding, student-teacher ratios and mandatory e-learning and instead work with parents, education experts, educators and school boards to devise education policies that work for students.
