The Speaker addressed the House:-

Le Président s'adresse à la Chambre :-

I would like to ask for the attention of the House once again, to address the issue of the participation of Independent Members. As Members know, there are now two vacancies in the House because of the resignation of Members previously sitting with the Independent Liberal group. This has changed both the number and composition of Independent Members in the House. As a result, based on the previously used mathematical calculations, the following modifications to our daily practices are required.

During Question Period, in order to accommodate nine Independent Members into the previously established eight-day rotation, I am prepared to recognize one Independent Member each day for a question and a supplementary question and on every alternate Tuesday, a second Independent Member for a question and a supplementary question.

In terms of Members' speaking times during debate, in my statement on July 19, 2018, I indicated I would permit one of the then seven Independent Liberal members to speak for up to 20 minutes on Second Reading of any government bill or on a substantive government motion. This was based on the calculation that each Independent Member was entitled separately to 3 minutes of speaking time in these circumstances.

In my March 6, 2019 statement, in response to a request from the Liberal Independent Members, I acknowledged that the splitting of time pursuant to Standing Order 24(d) was not limited to "recognized parties", and permitted their 20 minutes of pooled speaking time to be shared.

Consistent with those previous statements, I am now prepared to recognize any one of the five Independent Liberal Members to speak for up to 15 minutes during debate on Second or Third Reading of government bills or on a substantive government motion. Furthermore, pursuant to Standing Order 24(d) this time may be split with other Independent Liberal Members.

I would like to thank you for your attention.
