ORDERS OF THE DAY

Opposition Day Number 1

Ms. Horwath — Whereas the Ford government’s decision to end the double-fare discount for commuters who use both GO Transit and TTC on their daily commute will cost transit riders an extra $720 a year; and

Whereas the government’s $184 million cut to transit operating funding means less service and higher fares; and

Whereas the Ford government’s cut to Gas Tax funding will only make it more difficult for municipalities to deliver transit service that would allow GO Transit riders to take transit to the station and leave the car at home; and

Whereas the Ford government is currently reviewing plans to convert a majority of GO Station parking spots from free to paid, costing GTA commuters up to $1,200 more each year to take transit; and

Whereas affordable and effective public transit is essential to long-term strategies to address climate change, equity concerns and stimulate local economic development;

NOTICES

SPECIAL DEBATES – OPPOSITION DAY

1. Ms. Horwath — Whereas the Ford government’s decision to end the double-fare discount for commuters who use both GO Transit and TTC on their daily commute will cost transit riders an extra $720 a year; and

Whereas the government’s $184 million cut to transit operating funding means less service and higher fares; and

Whereas previous Liberal governments refused to restore the 50% operating subsidy to transit cut by the last PC government; and

Whereas the Ford government’s cut to Gas Tax funding will only make it more difficult for municipalities to deliver transit service that would allow GO Transit riders to take transit to the station and leave the car at home; and

Whereas the Ford government is currently reviewing plans to convert a majority of GO Station parking spots from free to paid, costing GTA commuters up to $1,200 more each year to take transit; and

Whereas affordable and effective public transit is essential to long-term strategies to address climate change, equity concerns and stimulate local economic development;

Therefore the Legislative Assembly calls on the Government of Ontario to reverse its planned cancellation of the double-fare discount for GO-TTC commuters and restore the 50% operating subsidy to municipal transit agencies to make it easier for Ontario commuters to take transit.

Addressed to the Premier. To be debated today.
