SPECIAL DEBATES – OPPOSITION DAY**DÉBATS SPÉCIAUX – JOUR DE
L’OPPOSITION**

1. Ms. Horwath — Whereas COVID-19 has tragically revealed the systemic failures of long-term care in Ontario; and

Whereas the previous Liberal government expanded privatization in long-term care, causing an erosion of care that now needs to be reversed; and

Whereas successive Conservative and Liberal governments failed to hold accountable for-profit long-term care operators who prioritized profit over safety and quality of care; and

Whereas evidence suggests that COVID-19-related deaths in long-term care were more frequent in for-profit long-term care homes than those operated by municipalities or non-profit organizations, and research data from as far back as 2011 suggests for-profit facilities “are less likely to provide good care than non-profit or public facilities”; and

Whereas the Ford Government acted faster to pass Bill 218, the *Supporting Ontario’s Recovery and Municipal Elections Act 2020* and shield negligent for-profit operators from accountability than it has to improve quality of care for our parents and grandparents or the working conditions of the PSWs and medical professionals who take care of them; and

Whereas some homes, such as Pickering’s Orchard Villa facility, are still being considered for licence renewal and expansion by the Ministry of Long-Term Care, despite the horrific conditions uncovered by the Canadian Armed Forces that resulted in 70 COVID-19 deaths in the home; and

Whereas investing in not-for-profit long-term care would mean that more money is available to improve the quality of care for our loved ones who call these facilities home, and multiple studies show that not-for-profit facilities provide, on average, more hours of care per resident and are better at retaining the qualified staff our loved ones depend on; and

Whereas the Ford government is preparing to reward some of the for-profit companies with the worst performance records during the first and second waves of the pandemic with 30-year licences and millions of dollars in public funds;

Therefore, the Legislative Assembly calls on the Ford government to place an indefinite moratorium on the issuing of new licences and the renewal of licences of for-profit long-term care providers and prioritize the development of not-for-profit long-term care in Ontario.

Addressed to the Premier. Filed October 6, 2021. To be debated Monday, October 18, 2021.

OF MOTION**

**AVIS DE MOTIONS ÉMANANT
DES DÉPUTÉES ET DÉPUTÉS**

1. Ms. Berns-McGown — That, in the opinion of this House, the Government of Ontario should require Metrolinx to undertake an independent peer review of environmentally sustainable alternatives for rail corridor expansion in the Small's Creek and Williamson ravines in conjunction with local efforts to prevent clearcutting and protect the Small's Creek and Williamson ravines' ecosystems, and a broader, system-wide commitment to environmental stewardship, ecologically sound transit expansion and meaningful community consultation. Filed October 4, 2021.
 2. Mr. Schreiner — That, in the opinion of this House, the Government of Ontario shall immediately declare a climate and housing affordability emergency with a commitment to address both through complementary policies, including a massive expansion of affordable, infill housing development, the creation of a "15-minute neighbourhood" framework to be utilized by communities across the province, freezing urban boundaries to reduce sprawl, and the permanent protection of our farmland, wetlands, and other key environmental features. Filed October 6, 2021.
 3. Ms. Karpoche — That, in the opinion of this House, the Ford government should work with the federal government and immediately conclude an agreement to implement \$10-a-day, licensed, not-for-profit childcare in Ontario. Filed October 6, 2021.
 4. Ms. Fife — That, in the opinion of this House, the Ford government should immediately implement mandatory COVID-19 vaccination for all education, health care, residential and congregate care workers as part of an overall strategy to better protect students, patients, residents, persons with disabilities and other vulnerable populations. Filed October 6, 2021.
 5. Ms. Stiles — That, in the opinion of this House, the Government of Ontario should, as part of an overall strategy to help keep schools open for in-person learning, establish an Ontario Safe Schools plan that includes effective rapid testing for students and education workers; smaller, capped class sizes and adequate spacing on school buses; regular testing and public reporting of classroom air quality; additional learning supports for students adversely impacted by the pandemic; a robust in-school vaccination plan; mandatory COVID-19 vaccinations for eligible students and all education workers; and in-school distribution of masks designed to contain aerosolized particles. Filed October 6, 2021.
 6. Mr. Gates — That, in the opinion of this House, the Ford government should, out of respect for the work done by Ontario's nurses, PSWs and other public sector workers, immediately repeal Bill 124, *Protecting a Sustainable Public Sector for Future Generations Act, 2019* and allow the negotiation of fair wages for their critically important work on behalf of the people of the province. Filed October 6, 2021.
 7. Mr. Glover — That, in the opinion of this House, the Ontario Government should protect migratory birds and Ontario's biosphere by mandating the 2019 Canadian Standards Association Bird-Friendly Design standard for all new construction in the province. Filed October 6, 2021.
