ORDERS OF THE DAY**Opposition Day Number 4**

Ms. Horwath — Whereas the cost of living is the number one concern for many Ontarians, and many are worse off than they were in 2018; and

Whereas hydro rates have increased every year since the Ford government took office despite the Premier's promise of a 12% rate cut, and skyrocketing costs for food, housing, transportation, auto insurance and gasoline are higher than ever while wages remain flat; and

Whereas the Ford Government's three-year, ongoing low-wage policies are among the leading reasons for low and stagnant wages across Ontario; and

Whereas the previous Liberal government's inaction on the minimum wage from 2014 to 2017 added to the challenges faced by Ontario's lowest paid workers and increased the gap between the very wealthy and working Ontarians; and

Whereas Premier Ford's 2018 cancellation of the minimum wage increase hit frontline and essential workers hardest, resulting in at least \$5300 in lost earnings since January 1, 2019 for full-time minimum wage workers, and the proposed \$15 minimum wage fails to keep up with inflation; and

ORDRE DU JOUR**Jour de l'opposition numéro 4**

Suite des travaux du jour à la page suivante

Whereas government inaction on the housing crisis, affordable childcare, paid sick days and meaningful supports for struggling small businesses have caused more and more everyday Ontarians to fall behind;

Therefore, the Legislative Assembly calls on the Ford government to end its low-wage policies and develop a meaningful plan to tackle Ontario's cost-of-living crisis by restoring the lost earnings of workers affected by the Premier's minimum wage freeze; taking real action on unaffordable rent and soaring home prices; working with the federal government to implement \$10-a-day childcare; providing financial assistance for small businesses affected by the pandemic; and keeping its promises to lower the cost of hydro, auto insurance and gasoline.

Addressed to the Premier.

DÉBATS SPÉCIAUX – JOUR DE L'OPPOSITION

Whereas hydro rates have increased every year since the Ford government took office despite the Premier's promise of a 12% rate cut, and skyrocketing costs for food, housing, transportation, auto insurance and gasoline are higher than ever while wages remain flat; and

Whereas the Ford Government's three-year, ongoing low-wage policies are among the leading reasons for low and stagnant wages across Ontario; and

Whereas the previous Liberal government's inaction on the minimum wage from 2014 to 2017 added to the challenges faced by Ontario's lowest paid workers and increased the gap between the very wealthy and working Ontarians; and

Whereas Premier Ford's 2018 cancellation of the minimum wage increase hit frontline and essential workers hardest, resulting in at least \$5300 in lost earnings since January 1, 2019 for full-time minimum wage workers, and the proposed \$15 minimum wage fails to keep up with inflation; and

Whereas government inaction on the housing crisis, affordable childcare, paid sick days and meaningful supports for struggling small businesses have caused more and more everyday Ontarians to fall behind;

Therefore, the Legislative Assembly calls on the Ford government to end its low-wage policies and develop a meaningful plan to tackle Ontario's cost-of-living crisis by restoring the lost earnings of workers affected by the Premier's minimum wage freeze; taking real action on unaffordable rent and soaring home prices; working with the federal government to implement \$10-a-day childcare; providing financial assistance for small businesses affected by the pandemic; and keeping its promises to lower the cost of hydro, auto insurance and gasoline.

Addressed to the Premier. Filed November 3, 2021. To be debated today.
