**SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE L'OPPOSITION**

5. Ms. Horwath — Whereas Brampton is one of the fastest growing and most diverse cities in the country, yet remains one of the most underserved cities in Canada in terms of healthcare services and investments; and

Whereas the previous Liberal government ignored the growing health services crisis in Brampton by refusing to build a new hospital; and

Whereas despite the challenges of the pandemic, the Ford government has broken its promise to upgrade Peel Memorial to a full hospital, walking away from the Premier's commitment to build the second emergency room and acute care beds required to address long waits and a lack of capacity in the City's one existing hospital; and

Whereas consecutive Liberal and Conservative governments have repeatedly failed to deliver on promises to improve healthcare in Brampton, despite the need for a minimum of 850 new beds and the construction of a third full-service hospital to address overcrowding and hallway medicine in Canada's ninth-largest city;

Therefore, the Legislative Assembly calls on the Ford government to immediately provide the funding necessary to address the 850 beds needed in Brampton, build a new emergency room and beds at Peel Memorial, and build a third hospital to appropriately address the city's healthcare needs.

Addressed to the Premier. To be debated Wednesday, November 24, 2021

Filed October 4, 2021.
2. Mr. Schreiner — That, in the opinion of this House, the Government of Ontario shall immediately declare a climate and housing affordability emergency with a commitment to address both through complementary policies, including a massive expansion of affordable, infill housing development, the creation of a "15-minute neighbourhood" framework to be utilized by communities across the province, freezing urban boundaries to reduce sprawl, and the permanent protection of our farmland, wetlands, and other key environmental features. Filed October 6, 2021.

Filed October 6, 2021.

Filed November 17, 2021.

16. Ms. Stiles — That, in the opinion of this House, the Ford Government should ensure that our publicly-funded schools meet the needs of their local communities by removing restrictions (*O.
