2. Ms. Horwath — Whereas over 90% of Ontario’s seniors and people living with disabilities report that they prefer to receive care at home instead of entering institutionalized long-term care, and many Ontarians would benefit from culturally relevant home and community care; and

Whereas 85% of doctors surveyed by the Ontario Medical Association believe that increased access to home care would improve health outcomes for patients and allow people to stay in their homes longer, and the Ontario Hospital Association estimates that lack of access to home and community care costs the province hundreds of millions of dollars each year; and

Whereas home care providers have seen their ability to meet service requests cut in half since the start of the pandemic, leaving thousands of frail Ontarians without care due to underfunding and massive healthcare staffing shortages; and

Whereas cuts to home care and community care by successive Conservative and Liberal governments have failed patients, PSWs and nurses in home and community care even before COVID-19, with jobs that pay anywhere from 10-30% less than those in hospitals and long-term care settings while forcing some support workers to pay for the cost of travel between clients out of their own pockets; and

Whereas the *Protecting a Sustainable Public Sector for Future Generations Act, 2019* (previously Bill 124) has made it nearly impossible for the home and community care sector to support hiring and retaining PSWs and nurses in full-time work, and has contributed to soaring vacancy rates for nurses and PSWs across the province; and

Whereas, despite the hard lessons of the pandemic, the Ford government failed to provide adequate funding for hiring and retention of home and community care workers in both the 2021 Budget and the 2021 Fall Economic Statement;

Therefore the Legislative Assembly calls on the Ford government to make much needed investments in public, not-for-profit home care via a strategy that: increases access to affordable, high quality, culturally relevant home and community care services throughout the province; establishes provincial standards for the delivery of care across Ontario; commits to a public, not-for-profit system; and ensures adequate staffing levels for nurses, PSWs, and other care providers in the sector by closing the pay gap and repealing Bill 124.

Addressed to the Premier. To be debated Monday, March 7, 2022.
