**ORDERS OF THE DAY**

**ORDRE DU JOUR**

**Opposition Day Number 4**

**Jour de l'opposition numéro 4**

Mr. Vanthof — Whereas the lack of public transit alternatives across the North requires Northern Ontario drivers to depend on personal vehicles to get to work, school and other essential activities, and the cancellation of mass transit options such as the Northlander and inter-city bus service exacerbates this challenge; and

Whereas gas prices are often most expensive in northern communities, with prices exceeding \$2.00 per litre in some regions; and

Whereas Bill 111 has no requirement for gas companies and other retailers to lower prices after the gas tax is reduced, and the government's own calculations show that the average driver will save as little as \$45 over six months, an average of \$7.50 per month; and

Whereas the Ford government has failed to deliver on commitments to lower hydro and gas costs, and failed to reinstate the Northlander, and Northerners disproportionately affected by these failures cannot afford more broken promises; and

Whereas Northerners need help now and cannot wait three months for relief;

Therefore, the Legislative Assembly calls on the Ford government to deliver real relief for Northerners by immediately issuing a one-time rebate of \$200 per household to offset the rising cost of living in Northern Ontario.

Addressed to the Premier.

Debated April 7, 2022.

**SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE  
L'OPPOSITION**

4. Mr. Vanthof — Whereas the lack of public transit alternatives across the North requires Northern Ontario drivers to depend on personal vehicles to get to work, school and other essential activities, and the cancellation of mass transit options such as the Northlander and inter-city bus service exacerbates this challenge; and

Whereas gas prices are often most expensive in northern communities, with prices exceeding \$2.00 per litre in some regions; and

Whereas Bill 111 has no requirement for gas companies and other retailers to lower prices after the gas tax is reduced, and the government's own calculations show that the average driver will save as little as \$45 over six months, an average of \$7.50 per month; and

Whereas the Ford government has failed to deliver on commitments to lower hydro and gas costs, and failed to reinstate the Northlander, and Northerners disproportionately affected by these failures cannot afford more broken promises; and

Whereas Northerners need help now and cannot wait three months for relief;

Therefore, the Legislative Assembly calls on the Ford government to deliver real relief for Northerners by immediately issuing a one-time rebate of \$200 per household to offset the rising cost of living in Northern Ontario.

Addressed to the Premier. Filed April 6, 2022. To be debated today.
