Motion text/Texte de la motion

Whereas the independent Financial Accountability Office found that the Government failed to allocate \$600 million in COVID-19 response funds and underspent its education budget by \$432 million in the 2022-2023 fiscal year; and

Whereas the funding provided to school boards has been inadequate to cover pandemic-related expenses; and

Whereas this has resulted in an estimated budget shortfall of at least \$100 million for school boards across the province; and

Whereas school boards are proposing hundreds of staff layoffs due to this budget shortfall;

Therefore the Legislative Assembly calls on the Government to cover all pandemic-related expenditures for school boards, including the programs and infrastructure needed to support students following three years of learning disruption.
