The Speaker addressed the House:-

I rise to inform the House of a change to the allocations for independent Members' participation in House proceedings, as we now have 12 Members sitting as independents.

During Question Period, I will recognize an additional independent Member to ask a question during each 8-day rotation. This means that one independent Member will be recognized to ask a question every day, and a second independent Member will be recognized to ask a question every Tuesday and Wednesday, with each of these questions followed by a supplementary.

With respect to Members' Statements, I will continue to recognize one independent Member per day, and each independent Member will be eligible to make a statement once every 12 days.
