**ORDRES DU JOUR****Jour de l'opposition n° 4 :**

Whereas the removal of all rent control from homes first occupied after 2018 has exposed tenants to unaffordable double-digit rent increases; and

Whereas the ability to increase rent between tenancies accelerates the rising cost of rent and incentivizes illegal evictions; and

Whereas housing is a human right;

Therefore, the Legislative Assembly calls on the government to implement rent control on all units, including between tenancies.

Addressed to the Premier.

Motion text/Texte de la motion

Whereas there is a cost of living crisis in Ontario; and

Whereas the cost of rent has increased to more than 50% of the take-home income for many Ontario households; and

Whereas the removal of all rent control from homes first occupied after 2018 has exposed tenants to unaffordable double-digit rent increases; and

Whereas the ability to increase rent between tenancies accelerates the rising cost of rent and incentivizes illegal evictions; and

Whereas housing is a human right;

Therefore, the Legislative Assembly calls on the government to implement rent control on all units, including between tenancies.
