Jour de l'opposition

Marit Stiles moved,

Marit Stiles a proposé,

Whereas everyone has the right to an affordable home; and

Whereas the private market alone has not been able to build the affordable housing Ontario needs; and

Whereas any solution to the housing affordability crisis must include public, non-profit and co-op housing options; and

Whereas the Government can fast track building approvals and provide funding, low-interest loans and public land to spur housing construction in the private, public and non-profit sectors; and

Whereas successive Liberal and Conservative Governments abandoned the publicly supported building programs which has provided affordable housing to Ontarians for decades, leaving a significant gap in supply; and

Whereas public building programs provide good unionized jobs for Ontario's tradespeople;

Therefore, in the opinion of this House, the Ontario Government should establish a new public agency, Homes Ontario, to finance and oversee the construction of affordable and non-market homes.

Debate arose and after some time,

Il s'élève un débat et après quelque temps,
